

DHANVI SHAH

 6302568228  Hyderabad, Ghatkesar    

OBJECTIVE

“I’m a third-year Information Technology student aspiring to become a Software Development Engineer. I have been building my skills in data structures and algorithms using C++, along with web development using the MERN stack, and I regularly practice coding through projects and problem solving. I’m eager to learn, contribute, and grow in a real-world development environment.”

EDUCATION

Bachelor of Technology (B.Tech) in Information Technology, Anurag University CGPA: 8.5
2023 – 2027

SKILLS

Programming Languages	C++ (Medium), Python (Medium), Java (Beginner)
Technical Skills	MERN Stack (MongoDB, Express, React, Node.js), HTML, CSS, JavaScript
Tools & Platforms	Git, GitHub, VS Code, LeetCode
Soft Skills	Problem Solving, Quick Learner, Teamwork, Communication

EXPERIENCE

Summer AI Internship – Swecha (Virtual) [2025]

- Learned fundamentals of Artificial Intelligence and explored real-world applications.
- Worked on hands-on activities involving basic AI concepts and problem solving.
- Gained exposure to collaborative learning and technical discussions.

PROJECTS

Blog Backend System

Built a robust backend service for a blogging application using Node.js, Express, and MongoDB, enabling secure user authentication and full CRUD functionality for posts. Implemented RESTful API endpoints, middleware for validation and error handling, and optimized database interactions for reliability and maintainability.

EXTRA-CURRICULAR ACTIVITIES

Extra-Curricular Activities

- Selected in the college round of Smart India Hackathon (SIH), collaborating in a team to develop innovative solutions for real-world problem statements.
- Regularly practice coding and problem solving on platforms like LeetCode, focusing on improving logical thinking and algorithmic skills.
- Actively participate in hackathons and technical learning activities to enhance development skills and teamwork experience.

LEADERSHIP

Leadership

- NSS Volunteer, actively participated in community outreach and service initiatives, contributing to planning and execution of events.
- Demonstrated leadership by collaborating with teams, coordinating tasks, and supporting program activities.
- Developed strong communication, responsibility, and organizational skills through active involvement in volunteer efforts.
